

# Anthony & Brittany Gonzalez

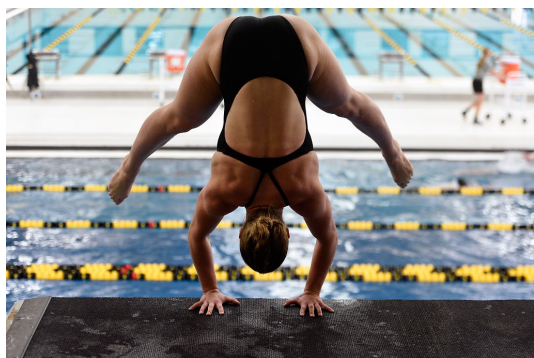

AUGUST 2017

Hi Brittany. My name is Lauren Reedy. I dive at the University of Missouri and am involved with AIA there. I'm always hearing so much about you and I've been wanting to connect with you. Now seemed like a good time to reach out since I'm in Miami for the next couple days doing some synchro.

Brittany received this text from a diver whom she had never met but this eventually led to us meeting Lauren. We learned that she is a growing Christ-follower who has participated & interned for AIA's Ultimate Training Camp, is an AIA leader on the Missouri campus, and recently traveled with AIA to Puerto Rico on mission. Her diving brought her to Miami to train with her new synchronized diving partner, Miami Hurricane, Briadam Herrera, in the mixed synchronized 3-meter event.

After having breakfast with Lauren and visiting our church, Christ Journey, we prayed with her and encouraged her as she prepared to qualify for the 17th FINA World Championships in Budapest, Hungary. Well, Herrera and Reedy qualified by 2 points. And, Lauren went on to not only represent the U.S. on an international stage but Christ as well. There, Lauren hosted a bible study alongside Olympic silver medalist, Steele Johnson, for the USA Diving team where over half of the team came and heard God's truth.

As a senior, please join us in praying Lauren passes the spiritual baton of leadership to her younger teammates. Also, pray that God calls out Christ-centered leaders like Lauren that cause spiritual movements on the UM campus and move beyond to every nation and tongue.

Pray for our UM AIA staff team as we launch this Fall semester, partner with FCA, and minister to athletes (especially freshman), coaches, and athletic department staff!

THANK YOU FOR  
YOUR ONGOING  
SUPPORT
