

Christ Journey Toy Drive

The Christ Journey Toy Drive will benefit children connected to three local mission partners: Touching Miami with Love, Feed Miami Food Pantry and the Florida Baptist Children's Home.

Those toys donated to Touching Miami With Love will be given to their Christmas Store, which serves families in Miami's poorest neighborhoods of Overtown and West Homestead.

Donations of new toys are marked for sale at drastically reduced prices of 70-80% off for parents to purchase. Parents maintain dignity by purchasing the toys rather than receiving a handout and take pride in being able to provide for their families as they spend up to \$10 per child for presents that can be given from the parents on Christmas day.

**Donations will be collected in a designated location
in the Family Ministry area from December 3 to 17.**
