

# Apascentai Minhas Ovelhas

## Feed My Sheep Brazil

It is so marvelous to know the only one and true God, the One that is sovereign over all! Praise Him for He loves each and every one of us so deeply with perfect love! We are comforted by His Spirit each and every moment of the day. He is always there with us never leaving us or forsaking us, His most beautiful and glorious Son interceding for us as the Author and Finisher of our faith. Jodi and I, plus our A.M.O. team, feel that Loyal and Everlasting Love of God through you, our partnering churches and individual supporters. May God bless each one of you in a very special way for being used of Him in supporting the mission here in Brazil. So many poor and needy people are experiencing the loving presence of the Lord Jesus Christ through His children, the church. We are temples that flow rivers of living water from our inner being to dry, barren and thirsty souls. We have such faithful servants of God taking the Gospel, Bible studies, discipleship studies, food, clothes, and fresh vegetables from our agriculture ministry to the poor. So many people are being blessed in the various communities in which we serve.

Great news! Through special offerings and fund-raising efforts of *Starfish Orphan Ministry* we have purchased a location in the Varzea Paulista community for a Little Lambs Ministering Church.

*Team meeting in front of existing structure on new property in Varzea*

God provided this funding some time ago knowing that the COVID-19 pandemic would be coming, and that we would no longer be able to bring that community to our campus church in Jarinu. Transporting people in our bus is not safe during this time. The land owner lowered his price by almost \$10,000.00 dollars and the exchange rate skyrocketed during this time. The land is larger, has better documentation of owner rights than most others that we were interested in, and is in a great location to reach this community. PRAISE THE LORD! We have electricity, water and two small standing structures to start ministry there. We need to build a wall around the property and start leveling dirt in preparation for our future building, all in the Lord's timing. With this we are spending a lot of time together in prayer and in God's Word which is helping our leaders to grow at new and different levels.

We had to stop going to the favelas for a while during the peak of Covid-19 for safety reasons. Nonetheless, we kept very busy! Our whole team is involved in Evangelism Explosion training, prayer groups and projects. Here are some of the unfinished projects that we were able to work on since we had more time on campus:

*Fourth Home almost done*

*Security gate made for a well*

*New Kiosk will provide outdoor seating for groups*

*Utility box made from homemade bricks & new pump gate*

*Bricks made by our women team members*

*Vocational training building progress*

*Young girls who live with Jessica & Nate take a break from home studies to help out in our year-round garden*

*Security fencing installed for existing pool*

*Above: Designed by Dennis*

*3 new automatic gates  
(Thank you J.T.!)*

We still have a GREAT NEED for teams to come to Brazil and help us out with many projects and maintenance as we have so much going on. Please keep this in your prayers for 2021 teams! We deeply miss all of the teams coming from the States and from Switzerland. We miss the times of fellowship and working alongside each other! Sharing in the ministry and catching up with each other on what God has been doing in our lives and hearts are very precious moments.

Currently our Gleba Church, in Campinas, can only hold a small congregation as we must separate the chairs by two meters. The lower part of the church is not adequately ventilated to hold classes for the children and preteens. We are holding Sunday night services and on Wednesday afternoon we do activities in the church auditorium with pre-teens. Children are hearing their Bible stories and doing activities with AMO team members in front of their homes wherever possible. It has been very difficult during this pandemic because the people in the shantytown do not like to wear masks! Obviously, we have to. Wearing masks in the hot sun is a challenge. Our trips to and from the favelas are limited in the number of people we can take inside the van as we need to maintain social distancing inside the van with everyone wearing masks.

*Social distance lunch for our team in the favela*

*AMO team doing bible classes in children's front yards*

*Young teens meeting in the church*

Our Embrace-a-Child program is such an exciting ministry as it brings so many smiles to moms and dads and their children. Jessica and others have already been shopping for Christmas trying to beat the shopping rush during this pandemic. Two-months prior special kits for mom and children to be used in their homes were given out. These kits generated so much excitement as they met many of their special needs. THANK YOU to all of our sponsors!

*Kitchen supplies for sponsored families*

Mayara & Anderson purchasing supplies

Humanitarian relief—  
food & cleaning supplies

Humanitarian aid

Thank you SFI !

Please pray for our team as we recently started work in a new favela called Capadocia. This is a dangerous and very, very needy community made up of rickety wooden shacks.

New Favela community, Capadocia, where we are ministering

Evangelizing in the favelas

**Thank you for your prayers, your encouragement and your support!**

**Pete & Jodi**

## Tax-deductible giving

There are two ways to give:

Online: go to [www.cmcmissions.org/donate](http://www.cmcmissions.org/donate) and click on the "Click & Give" logo. Select our name "Pete & Jodi Brennan" from the drop down list to give your donation using a credit card.

-or-

Regular mail (checks): Central Missionary Clearinghouse P.O. Box 219228 Houston, TX 77218-9228 Please make your check payable to them that way they can deposit it into our account for us.

Either way please specify if donating to Pete & Jodi's personal support, a specific ministry project, or, if you would like us to use it where it's most currently needed please designate 'for use at Pete & Jodi's discretion' You will receive a tax-deductible receipt for your taxes.
