June 2, 2024 Message Notes

*Matthew 6:10*

### NOTES

“Your kingdom come, your will be done, on earth as it is in heaven.” Matthew 6:10

“Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. And forgive us

our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one. For yours is the kingdom and the power and the glory forever. Amen.” Matthew 6:9-13

More than just saying the words of a ritual prayer, we are entering a relationship with Father God – the life-giving Source and Center of all that is.

What comes to mind when you hear the word kingdom?

Jesus’ Kingdom: where God’s reign is welcomed to rain His blessings on you, fulfilling His plan in the world.

“God’s kingdom is the range of his effective will, where what he wants done is done.” Dallas Willard, *The Divine Conspiracy*

Our prayers can roll out the red carpet for our sovereign God to reveal His benevolent righteous rule in our lives.

God has a plan to redeem and restore this broken and fallen world. We want in on it.

Will in Greek is thelema = wishes, desires.

“God, may your wishes come true in my life.”

God's will is not a one-size fits all muumuu, or bata de casa, that doesn't fit or suit you at all.

His will is not handcuffs or shackles to tie you up and confine you from freely being yourself.

The boundaries God brings to our lives are like guardrails to keep us from danger.

Thelema also means God's will is something people can take or leave, except or reject.

What is God's will for your life?

That you seek God's will for your life and do it with Him!

Your discover more of yourself by knowing your Creator and Father.

God our king has a purpose for us to live as fellow heirs in his kingdom, under His oversight, to have greater impact.

God is the Potter; you are the clay.

We are His workmanship, his masterpiece, his trophy of grace.

Materialistic science tries to sell us the myth that all we are is interacting chemicals; then you die.

Where's the meaning, the purpose?

Culture says you have to make your own why, your truth, define yourself, live for yourself.

Jesus has a better option than trying to be your own god.

Your Father invites you to experience Him, to know Him personally, to let your life become a channel for God's kingdom to flow into our broken world.

“Dear God, Your will. Nothing more. Nothing less.  
Nothing else. Love, You.”

Choose God’s will in advance of knowing it.

“God will not trespass your will to bring you into His.”  
Billy Graham

Align your will freely with what God wants in your life.  
When the alignment is there, the flow will come.

He must increase,  
I must decrease  
So his will  
Will be done on earth.  
His kingdom must come  
And my kingdom must go  
So his will  
Will flow to all the earth.

When you truly want God's will, it's harder to miss it than find it.

Welcome God to make his kingdom known through you.  
Make Him your King. Seek His will today.
